

## **SPORTS PREMIUM FUNDING REPORT 2015/16**

In April 2013 the Government announced new funding of £150 million for physical education (PE) and sport. The funding should be used to improve the quality and breadth of sport provision. Funding is allocated to all maintained and state-funded schools with primary phase children from 1st September 2013.

In all schools in Maltby this funding is targeted at further developing existing and future sports provision. We focus on four main areas: developing high quality Physical Education, Student Leadership, Participation and Competition.

Maltby Redwood Academy has been allocated £8,731 for the academic year 2015-16. There continues to be a strong commitment to PE which is evident in the wide range of out of school activities and involvement in competitive sports.

### **AIMS OF SPORTS PREMIUM SPENDING IN 2015/16**

Maltby Redwood Academy is a member of the Maltby Sports Partnership (MSP) and as a group we have chosen to work together to secure the effective use of our funding. The funding will enable us to:

- Support progression of high quality lessons through staff coaching/mentoring/CPD.
- Further develop the leadership opportunities offered to children of all ages.
- Enhance the range and types of sports/activities our children can take part in.
- Provide additional activities which allow our children to experience new and different sports
- Increase participation in competitive sport within school and with other local schools.

### **SUMMARY OF SPORTS PREMIUM SPENDING IN 2015/16**

The sports premium funding has been used to access the expertise and resources of the outreach Sports Partnership Team based at Maltby Academy. This outreach work has taken many different forms:

- Teachers/Coaches have been present in at least one of the two weekly PE lessons for each class to support and train staff;
- Teachers/Coaches have worked alongside staff to develop a further repertoire of new and different sports activities;
- The team have offered support for staff in using data to inform PE and sports provision;
- Coaches/Sports Leaders have run sports-based clubs after school time;

- Teachers/Coaches have provided resources and equipment and
- THE MSP Lead has worked with the school PE coordinator to support the sports' provision, impact and monitoring of sport in school.

### **1. *Develop teaching and learning***

Our partner Secondary School, Maltby Academy, has appointed two specialist sports coaches and has released the equivalent of one full time member of PE staff to support the programme across the partnership. We have a PE/Sports specialist working alongside our teachers two days per week. The PE Teacher from Maltby Academy may change depending on the area of physical education being taught. In addition, the teacher/specialist coaches are supported in their delivery of the programme by a team of KS5 Sports Leaders (BTEC Students).

This has involved:

- Development of new long and medium term plans (supported by online learning resources)
- Working alongside staff in the delivery of lessons
- Providing support for planning and both formative and summative assessment
- Whole school staff development
- Inter schools competitions
- Opportunities to take part in 'taster sessions' in sports not available in a primary school

### **2. *Improve resources***

Whilst we currently have a high level of quality resources, the school have purchased additional resources as and when necessary to support new specialist provision.

### **3. *Extend out of school activities***

The funding has been used to further develop the current range of activities by inviting other accredited coaches into school to lead after school clubs e.g. football, rugby, multi-skills, dance and gymnastics.

#### **4. Join the Youth Sports Trust**

The Sports Partnership is a member of the Youth Sports Trust which we hope will help all schools to achieve the Quality Mark for Physical Education and Sport.

#### **IMPACT OF SPORTS PREMIUM SPENDING IN 2015/16**

- Teaching staff have gained confidence of delivery and increased subject knowledge.
- Coaches' expertise has allowed the children to be taught in a wider range of sports, including, football, basketball, High 5, cricket, rounders, tennis, badminton, athletics and rugby.
- Children are continuing to take part in more Level 1 competitions in school, with some children also attending Level 2 competitions including cross country, football, netball and orienteering.
- With the support of the MSP, the monitoring of PE has ensured that all children have had opportunity to take part in sports activities over the year and compete in a variety of sports.
- A number of children have been chosen to take part in the Masterclass Sports' Academy run through MA - these children have developed confidence in activities through this and in order to be part of this.
- Several children are volunteering to lead our Active Lunchtimes/Playground Leaders initiative in the summer term.

#### **HEADLINES**

- £8731 invested in coaching support including; curriculum mentoring, increasing the breadth of our school sport offer, house competitions, PE action/development planning and targeted support for Gifted and Talented Children
- 40% of the whole school have attended 1 or more extra-curricular sports club

#### **HONOURS**

- Partnership Winners in Hockey

Partnership Runners Up in Tag Rugby

- 20% of the whole school have represented the school in a competitive sport event

- Football
- Orienteering
- Tri-Golf
- Mini Olympics (Y6 Sports Day)
- Sportshall Athletics
- Tag-Rugby
- Tennis
- Hockey
- Hotshots Basketball
- High Fives Netball
- Rounders

### ***Quotes from the children about the impact of the Sports Premium funding 2015-16***

“We have lots of fun learning new things and sports- I like working as a team”

“PE is good as it makes us fitter.”

“We do lots of different sports like tag rugby and cricket- we love it!”

“I like the way that we can play lots of different sports.”

“I like competitions we do now- we get to compete against other schools and we can make new friends.”

### **AIMS OF SPORTS PREMIUM SPENDING BEYOND SEPTEMBER 2016**

1. To continue to ensure all PE lessons are ‘good’ or ‘outstanding’
2. To continue to utilise assessment data to inform planning
3. To maintain a high profile for sport in school
4. Continue to take part in competitions within school and with other local schools.
5. Continue to develop pupil voice and look to develop Sports Leaders

### **INTENDED ALLOCATION OF SPORTS PREMIUM FUNDING BEYOND SEPTEMBER 2016**

We intend to spend our sports premium funding on further developing and refining the partnership with the Maltby Sports Partnership Team, building on the achievements to date and securing a sustainable model within our school moving forwards.
