

CURRICULUM NEWSLETTER

MALTBY REDWOOD

Nursery

Welcome to the Summer 2 edition of the Nursery newsletter. You will find lots of information about the curriculum, how to help your child at home and any other notes. If you have any questions, please ask the class teacher.

Our current learning journey is: **Where shall we go on holiday?**

Curriculum Outline

Communication and Language Development

We will be using a wider range of vocabulary through reading, sharing and remembering longer stories. We will also be starting conversations with an adult or a friend about holidays we have been on.

Physical Development

We are going to be developing our fine motor skills using one handed tools and equipment. We will also be developing our gross motor skills as we practise different physical skills in preparation for sports day.

Personal, Social and Emotional Development

We will be meeting our new class teacher and friends and enjoy exploring our new classroom ready to move into Reception. Our younger children in Nursery will be meeting their new friends that will be joining us in September.

Literacy (Reading and Writing)

We will share and enjoy new and familiar stories and Nursery rhymes together such as '1,2,3,4,5 once I caught a fish alive, The Odd Fish and Peppa goes on Holiday'. We will continue to learn our new sounds in RWI and begin to form these letters.

Maths

We will be learning about the composition of different numbers to 5 such as $2+2=4$. We will also be counting forwards and backwards and identifying missing numbers on a number line.

Understanding the world

We will be learning about floating and sinking, linking to how boats float on the sea. We will also be looking at other countries across the world and compare these to where we live.

Expressive Arts and Design

We will be developing our DT skills by making a boat that can float. We will need to use a range of tools and think carefully about how to join two materials together.

Helping your child at home

- Read with your child at least 3 times a week.
- Encourage your child's independence by helping them to get dressed, put their coats on, put their shoes on and use the toilet **by themselves**.
- Help to increase your child's vocabulary and experiences by sharing different stories and talking about what is happening around them.
- Share the different Nursery Rhymes that we have been learning at school and talk about what is happening in them.
- Have conversations with your child at any available opportunity to develop their communication and language skills.

Notes

- **17.06.24** - Nursery Sports Day
- **27.06.24** - Stay and Sing Nursery Rhymes
- **28.06.24** - INSET Day (school closed)
- **05.07.24** - Nursery Seaside Morning (Parents welcome)
- **10.07.24** - Class swap in the afternoon
- **11.07.24** - Class swap in the morning
- **17.07.24** - Summer Ball (during the day for Nursery)
- **18.07.24** - Colour run
