

CURRICULUM NEWSLETTER

MALTBY REDWOOD

Year Two

Welcome to the Summer 2 edition of the Year 2 Maple newsletter. You will find lots of information about the curriculum, how to help your child at home and any other notes. If you have any questions, please ask the class teacher.

Our current learning journey is: **So you do like to be beside the Seaside?**

Curriculum outline

Reading: We are continuing our focus on comprehending a text. We will be using extracts and answering different types of questions relating to them. Children on RWI will also be securing their sounds through daily RWI sessions.

Writing: The children will be writing a narrative based on The Lighthouse Keeper's Lunch, Nightingale and a setting description for a beach.

Maths: Our focus is position and direction and statistics. Children will use graphs and grids to record data and also extract information from them using a key to assist.

Science: We will be continuing our learning about animals. We will be looking at what a food chain is and building different food chains for the various habitats we have already discussed.

Art: This half term is based around the artist Mark Anderson, who makes sand sculptures. The children will be evaluating his artwork and recreating his pieces using sand and clay.

Geography: We will be learning all about coastlines. Children will learn the human and physical features of a coastline and will also visit Bridlington.

Helping your child at home

To support your child at home, you could:

- Listen to them read each night and record this in their planner
- Access EdShed for spellings
- Support and encourage them to complete the set maths and reading activity.
- Encourage them to look at the clock at home and ask them what time it is.

Notes

Tuesday 4th **OR** 11th June – Sports Day (weather dependent)

Thursday 27th June – Bridlington Visit.

Thursday 4th July – Stay and Clay 2.15-3.00pm
