21 October 2024

Dear Parents/Carers

I hope this letter finds you well. I am writing to inform you of an upcoming change to the pricing of school meals, which will take effect from **Monday, 4th November 2024**.

After a careful review of our costs and in order to maintain the quality of the meals we provide to students, the price of school meals will increase to **£2.50 per meal**. This adjustment is necessary due to rising costs in food supplies and operational expenses, and we are committed to ensuring that your child continues to receive nutritious and well-balanced meals every day.

We understand that any increase can be a concern, and we have made every effort to keep this change as minimal as possible while still offering a healthy and affordable meal service. For families who may be eligible for free school meals, we encourage you to contact the school office if you need assistance with the application process.

Thank you for your understanding and continued support of our school meal program. Should you have any questions or concerns regarding this change, please do not hesitate to reach out to us.

Yours faithfully

A handwritten signature in black ink that reads 'R Berry'.

Mrs R Berry
Principal
