

# CURRICULUM NEWSLETTER

MALTBY REDWOOD

Year One

Welcome to the Summer 1 edition of the Year 1 Willow newsletter. You will find lots of information about the curriculum, how to help your child at home and any other notes. If you have any questions, please ask the class teacher.

Our current learning journey is: **What do you know about the UK?**

## Curriculum outline

**Reading:** This half term, we are continuing to use Read, Write Inc to learn sounds and blend them together to read decodable words. The focus for this half term is Set 3 sounds. They will also be sharing a selection of stories and giving our opinions on them.

**Writing:** This half term, children are writing narratives based on 'The Boy who grew flowers' and 'Grandad's Island'. They will use the transcription approach to build up the story before writing their own.

**Maths:** This half term's maths focus multiplication and division. Children will use equipment and pictorial representations to count in 2s, 5s and 10s and make equal groups. Once this is secure, children will be introduced to halves and quarters.

**Science:** The children will be learning about plants. The children will be looking at wild and garden flowers, the parts of a plant and deciduous and evergreen trees. They will also look at seasonal changes that occur in Spring.

**DT:** Children will be sewing the flags of the UK. They will practise using a running stitch and an overcast stitch before designing and making a flag collage.

**Geography:** Children will learn about the countries that make up the UK. They will use maps to identify and name the countries and their capital cities. They will use aerial images to look at the human and physical features of these cities.

## Helping your child at home

To support your child at home, you could:

- Listen to them read each night and record this in their planner
- Support and encourage them to complete the set maths activity.
- Watch the phonic videos sent home for your child's colour group.
- Practise reading the real and nonsense words sent home.

## Notes
