

CURRICULUM NEWSLETTER

MALTBY REDWOOD

Year Two

Welcome to the Summer 2 edition of the Year 2 Maple newsletter. You will find lots of information about the curriculum, how to help your child at home and any other notes. If you have any questions, please ask the class teacher.

Our current learning journey is: **So you do like to be beside the Seaside?**

Curriculum outline

Reading: We are continuing our focus on comprehending a text. We will be using extracts and answering different types of questions relating to them. Children on RWI will also be securing their sounds through daily RWI sessions.

Writing: The children will be writing a narrative based on 'The Lighthouse Keeper's Lunch' and a setting description for a beach.

Maths: Our focus is position and direction and statistics. Children will use graphs and grids to record data and also extract information from them using a key to assist. Furthermore, this half term will have a big focus on revision and consolidation. We will be accessing previous SATs questions as well as revisiting previous topics.

Science: We will be continuing our learning about animals. We will be looking at what a food chain is and building different food chains for the various habitats we have already discussed.

Art: This half term is based around the artist Mark Anderson, who makes sand sculptures. The children will be evaluating his artwork and recreating his pieces using sand and clay. Maple Class look forward to welcoming you back for our last Stay and Art in Summer 2!

Geography: We will be learning all about coastlines. Children will learn the human and physical features of a coastline using first hand experiences and observations from our visit to Cleethorpes.

Helping your child at home

- Listen to them read each night and record this in their planner.
- Access EdShed for spellings.
- Support and encourage them to go on TT Rockstars.
- Encourage them to look at the clock and home and ask them what time it is.
- Some great online games that the children can play is karate kats KS1 for Maths and English, hit the button for their times tables.
- PE – Tuesday and Friday
