

CURRICULUM NEWSLETTER

MALTBY REDWOOD

Nursery

Welcome to the Autumn 1 edition of the Nursery newsletter. You will find lots of information about the curriculum, how to help your child at home and any other notes. If you have any questions, please ask the class teacher.

Our current learning journey is: **Who am I?**

Curriculum Outline

Communication and Language Development

We will be talking about our family and who we are. We will develop our confidence to talk to familiar adults and children within class.

Physical Development

We will be exploring in the outdoor area and playing ball games to help us develop our gross motor skills. We will also be learning different moves to rhyme and songs in Spot Dancing.

Personal, Social and Emotional Development

We will be learning to separate from our main carer and learn the names of our new friends. We will become familiar with the new rules and routines, and we will develop our confidence in talking about different topics during circle times.

Literacy (Reading and Writing)

We will share and enjoy new and familiar stories and Nursery rhymes together such as Heads shoulders knees and toes. We will be focusing on Elmer as our class text and sharing the fact that we are all unique!

Maths

We will be sorting and identifying different colours. We will also be looking at recognising and creating patterns.

Understanding the world

We will be looking at photos of our families and thinking wider about the local community we are part of. We will be getting to know our new classroom and finding where objects belong.

Expressive Arts and Design

We will be taking on different roles in our play and recreating our own experiences in our home corner. We will bake a class birthday cake to celebrate everyone.

Helping your child at home

- Read with your child at least 3 times a week.
- Encourage your child's independence by helping them to get dressed, put their coats on, put their shoes on and use the toilet **by themselves**.
- Help to increase your child's vocabulary and experiences by sharing different stories and talking about what is happening around them.
- Share the different Nursery Rhymes that we have been learning at school and talking about what is happening in them.
